

How To Measure For Wooden Gates

This step by step guide will assist you in measuring for your wooden gates

1. Decide on the style of gate you would like

Name Of Gate: _____

2. Measure the distance between two posts ?
(or where your gate post will be placed)

3. Do you want a single gate or a pair of gates?

Single Gate Pair Of Gates

4. If you are purchasing solid wooden gates.
How height do you want your gates?

5. Decide where to wish to hang your gates
on your posts

A: Hanging Gates
Between The Posts

B: Hanging Gates
To The Rear Of Posts

6. Decide if you want your gates with hinges or
additional gates furnishings.

Hinges Loop Over Drop Bolt
Latch

7. Then contact our Sales Team. We can work out the rest
