Relax On Deck

Garden Decking

Think Decking

Think Rea Sawmills

Garden Decking

A garden deck is like adding an additional room onto your home. An area which you can relax, socialise with friends and family and enjoy your summer days. We can supply you with everything you'll need to build a superior garden deck from the decking boards to the decking screws.

Unlike a builders merchants we at Rea Sawmills specialise on manufacturing timber products, which saves you money by purchasing direct for the manufacture. Also you will have access to our experienced staff and their industry knowledge regarding what materials will best suited your for decking.
